To all our servers- Please exchange with someone if you are unable to serve on your assigned date. I have tried to set up the schedule so it would not interfere with the Parish Party on July 15th or with those who will be volunteering at the Food Trailer on Pleasant Valley Weekend- July 27-29.

I have not listed the vestry counters or rides for Alice. Please check the schedule posted in the Parish Hall. You do have to be a member of the vestry to be a vestry counter but anyone can volunteer to drive Alice home following the 9:30 a.m. service.

Thank you all for you faithful commitment to this parish ministry.
Kay Mackey
